CULTURAL IMMERSION

Location: England

Age: 15-18

Length: 1-2 weeks

Start date: flexible from late August-late June

Experience an immersive cultural adventure in the UK!

On our Cultural Immersion programme, students will stay with a welcoming host family in England, joining their daily routine and family activities. Students will also have the chance to join **cultural activities** throughout the week in the local area, helping them to get a real authentic feel for British culture and life in the UK!

With the support of their LSC, immersion students can link up with other students in the local area, as well as get involved in the local community. Throughout the programme, they'll be improving their language skills and broadening their cultural horizons!

Our Cultural Immersion programme is available for **groups** or for **individual** students.

LANGUAGE IMMERSION

Location: England

Age: 15-18

Length: 2-4 weeks

Start date: flexible from late August-late June

Improve your English language skills in the UK!

On our Language Immersion programme, the programme focus will be on language skills, with students attending **language classes** in the local area to help improve their English. These lessons, combined with host family life and joining the local community, will help students to enjoy a taste of life in the UK!

With the support of their LSC, immersion students can link up with other students in the local area, as well as get involved in the local community. Throughout the programme, they'll be improving their language skills and broadening their cultural horizons!

Our Language Immersion programme is available for **groups** of students.

ACADEMIC IMMERSION

Location: England

Age: 16-18

Length: 4-12 weeks

Start date: flexible from late August-late June

Join an academic taster programme in the UK!

By choosing our Academic Immersion programme, students have the opportunity to **attend lessons** at their local school alongside fellow students. This gives students a taste of the British education system, and helps them to improve their language skills and make new friends. They'll be staying with a welcoming host family in the local area.

With the support of their LSC, immersion students can link up with other students in the local area, as well as get involved in the local community. Throughout the programme, they'll be improving their language skills and broadening their cultural horizons!

Our Academic Immersion programme is available for **individual** students.

WINTER IMMERSION

Location: England

Age: 16-18

Length: 4-12 weeks

Start date: flexible between November and February

Study in the UK over our winter months!

Our Winter Immersion programme is perfect for students who want to experience the British winter! If your students are on their summer holidays at this time, this can fit in perfectly with the school year back home. Joining classes at the local school and staying with a host family over Christmas and New Year, these students can experience a truly unique time of year in the UK!

This can also form a full term programme over the winter months, if opting for dates from November - February. Please note that students will be out of school over the Christmas holidays, until early January.

Our Winter Immersion programme is available for **individual** students.

APPLICATION CRITERIA

Applicants must be aged 15-18 at the start of the programme, or 16 on the Academic Immersion programme. Please note that if aged under 16, the maximum length of stay is four weeks.

Applicants must have sufficient academic abilities to keep up with life in the UK and tuition at school - above average results are expected. Applicants must also have a high level of English and demonstrate good health, both mentally and physically.

For full application criteria, please refer to the partner manual.

QUICK GUIDE TO UK VISAS

Depending on a student's age and the length of time for which they are coming to the UK, they may require a visa or an Electronic Travel Authorisation (ETA).

For full visa regulations, please always refer to the government website. The below table is designed as guidance only.

Students coming for less than six months from a non-visa country (including the EU, EEA and Switzerland)	ETA required
Students coming for less than six months from countries where a visa to the UK is required	Standard visitor visa
